

CONNECT Scope & Sequence

UNITS 1-5

Connect is Bible-centered Sunday school for preteens. With Connect, kids see how individual Bible stories connect into larger themes that span the whole Bible.

In the 2-year scope and sequence, tweens start their journey in the Old Testament. This gives them a solid understanding of the history of God’s people, and adds context to who Jesus is and why Jesus is so important. In year 2, preteens continue with the New Testament, learning all about Jesus’ life, ministry, death, and resurrection.
